THE MAN'S DEMAND FOR RE-HEARING GROUNDS FOR RE-HEARING

The man makes demand for re-hearing of the order allegedly issued by this Court. On October 6, 2008 (the first day of your new term) the clerk notified the man that this Court denied the Petition for Writ of Certiorari. To date the man has not received a signed order from this Court.

The grounds for re-hearing are very simple:

1. From your own website – http://www.supremecourtus.gov – you display a document called "The Court and Constitutional Interpretation" it says *inter alia* "Equal Justice Under Law" – These words written above the main entrance to the supreme Court building, express the ultimate responsibility of the supreme Court of the united States. The Court is the highest tribunal in the Nation for ***all cases and controversies*** arising under the Constitution or the laws of the united States. As the final arbiter of the law, the Court is charged with ensuring the American people the promise of equal justice under the law and, thereby, also functions as guardian and interpreter of the Constitution.

2. The same document proudly displays in very large font – "The republic endures and this is the symbol of its faith." – Chief Justice Charles Evans Hughes

cornerstone address for the supreme Court Building on October 13, 1932.

3. The document continues to say that "constitutional interpretation must be left to the reasoned judgment of independent judges, rather than to the tumult and conflict of the political process."

4. The last major point the man wants to remind this Court with respect to this informative document is from your former brother John Marshall, who, of his own accord invoked the power of judicial review and asserted the supreme Court's responsibility to overturn un-constitutional legislation because of its sworn duty to uphold the Constitution.

CONCLUSION

The man not being responsible for being born found himself on this great land. When he came to the age of reason he was taught of the greatness of this country because of three separate but equal branches of government. As knowledge increased in the man he learned that the so called great American "experiment in democracy" was a fraud. He learned that the true consumers in America are attorneys, politicians and bankers because you all eat out the substance of the common working man and put nothing back but pain, misery and suffering – PMS.

Jesus Christ warns us about you in Luke 11:46 – "Woe unto you also, ye lawyers! for ye lade men with burdens grievous to be borne, and ye yourselves touch not the burdens with one of your fingers." Luke 11:52 – "Woe unto you, lawyers! for ye have taken away the key of knowledge: ye entered not in yourselves, and them that were entering in ye hindered." (King James Bible)

Is there a man up there on the highest bench of this world or is there strange flesh hiding behind those black robes? – Jude 6-7. (King James Bible)

The man makes demand this Court stop denying the man access to the law and become the final arbiter of the law (you claim to be). Stand up to the vipers at the Executive Department by re-hearing and granting Certiorari in this matter.

"Respectfully" submitted

CERTIFICATION OF GOOD FAITH

The man doth hereby affirm that this demand for re-hearing is presented in good faith and not for delay. (The Executive Department on October 9, 2008 has already filed a Notice of Federal Tax Lien).
